Introduction:

It is impossible for a human being to experience every good or bad thing existing on this earth, but he can definitely learn from the experiences of others. This process of learning can be initiated if he acquaints himself with the literary works of the great masters. Such experiences sensitize the human being on issues pertaining to the struggle for human existence.

Objectives:

- To familiarize students with the best samples of writings in English so that they can learn the structure of the language as it is used creatively.
- To orient students to social and cultural issues.
- To acquaint students with different writing styles of English.

Introduction:
Owing to the growing need of inculcating cost consciousness and encourage cost-reduction efforts, the area of cost accounting has emerged as a vital branch of accounting. The modern-day businesses in the manufacturing as well as service sectors are faced with the challenges of intense competition nationally and globally. Hence, these business units are forced to recognise the impact of cost control and cost reduction on profits. At the root is the need to thoroughly understand the types, nature, behaviour and effect of the various elements of cost on the pricing, production and profits. For the managers, knowledge of cost accounting is a prerequisite to successful management accounting.

Objectives -:
1. To introduce the basics of cost accounting and enabling the student to correlate the two branches namely financial and cost accounting.
2. To build a base for learning management accounting.

Introduction of Business Mathematics:
The student will understand the mathematical concepts and terminology involved in Derivatives, basic arithmetic operations on vectors and matrices, including inversion and determinants.

Objective: The objective of the course is to introduce the student to the basics in mathematics utilized for pricing of financial derivatives. To provide the student basic understanding of the mathematical ideas and technical tools used in modeling. Prepare students for subsequent work in their business majors and for their future careers in the business community.

Total Sessions: 40 sessions
Total Credits: 3 credits

Module I: 11 Sessions
Derivative and its applications
Introduction, Definition, Derivative of a function of one variable
Derivative of standard functions ( e.g. $x^n$, $a^x$, $e^x$, $\log x$) (without proof)
Rules of derivative (Addition, Subtraction, Multiplication, Division, Chain)
Examples
Logarithmic differentiation
Marginal Revenue function, Marginal Cost function, Profit function
Price elasticity of demand and supply

Module II: 9 Sessions
Second order derivative
Introduction, definition and examples of second order derivatives
Maxima and Minima of a function
Applications: Profit, Revenue Maximization and Cost Minimization
Partial derivative and its applications to functions of two variables

Module III: 10 Sessions
Matrix Algebra
Introduction
Types of matrices
Addition and subtraction of Matrices
Multiplication by scalar, Multiplication of two matrices
Inverse of matrix ( up to 3x3 matrix using adjoint matrix)
Applications to business problems and solving simultaneous equations up to 3 variables

Module IV: 10 Sessions
Mathematics of Finance
Introduction, simple interest, compound interest
Assignment Topics:
1. Assignment on derivative and its applications
2. Assignment on matrices
3. Assignment on mathematical finance

Seminar Topics:
3. Matrix application in the salary system of an office.
4. Financial project as a part of savings and investment.
5. Use of financial mathematics on personal savings.

INTRODUCTION: On a daily basis we work with people who have different opinions, values, beliefs, and needs than our own. Our ability to exchange ideas with others, understand others' perspectives, solve problems and successfully utilize the steps and processes presented in this training will depend significantly on how effectively we are able to communicate with others. Hence it becomes imperative to have some understanding of the complex and dynamic structure of modern communication and develop communication skills.

OBJECTIVES: (1) To provide basic understanding regarding the Fundamentals and Forms of communication
(2) To develop language skills.

Introduction:
The BBA programme aims at providing a practical insight to the student in the various functions of business enterprises. It is this aspect which gives a learner an edge over other programmes in the same area. Lack of industry-exposure would prove fatal and hence a student of management needs to undergo practical training to sharpen his theoretical skills and knowledge.

Objectives: This course aims at bridging the gap between theory and practice by providing an opportunity to the student to acquire basic understanding of the functioning of a business organisation. It attempts to introduce a student to the various functional areas of management through industrial exposure followed by report writing and viva-voce. It also aims to sharpen the communicative skills of the students through practical training in some of the important skills required to be mastered by middle and higher level managers.

Introduction: It brings together the ideas, innovations and achievements of the great world thinkers and leaders of contemporary times for the students to learn and benefit from. In studying the selections, the students will get to discuss and debate a wide range of topics—from academic disciplines, such as philosophy, history, sciences, psychology, literature, performing arts and theatre to social and cultural issues and much more. This will provide the students with a window into a critical understanding of the globalized world. The personalities selected in this course are indicative, and additions or changes can be made according to the choice of the teachers, giving them a leeway to adapt the course to their own teaching methods and pedagogic requirements. Approximately two selections from each category need to be studied during the course. A typical course would include an extract from the life story/work/speech/personal correspondence/biography, etc., of these personalities, an annotated description of the context of the personality, his/her work and contribution to humanity.

Objectives:
S. To provide an opportunity to the students to 'learn by example' from great leaders belonging to the various fields
T. To inspire the GENEXT to evolve into fine thinking individuals who will live more contented lives and also perform meaningful functions and activities for ones own self and the society.

SEMESTER I

ELECTIVE COURSE (EC-101): CULTURE AND CIVILISATION

Introduction:
Culture and Civilisation are often used synonymously. Culture is the passing of traits from one generation to another and civilisation is the result of culture. A human being's existence in the society is governed by several forces. One of the main factors affecting the life of an individual is the culture in which he grows and survives. Culture is responsible for the behaviour and attitude of an individual for everything he does or does not do. In modern times it is also necessary to understand the impact of corporate culture, business culture etc. The cultural variations often lead to an imbalance in the personal and professional life of an individual. Therefore it is necessary to understand the basic aspects of culture and civilisation.

Objectives of the Course:
1. To introduce the students the basic concepts of Culture and Civilization.
2. To get an overall idea about Indian Culture with special reference to business.
3. To get an idea about Organisational and Corporate Culture.

Introduction:
With a population of just over 1 billion, India is the world’s largest democracy. In the past decade, the country has witnessed accelerated economic growth, emerged as a global player with the world’s fourth largest economy in purchasing power parity terms, and made progress on most of the Millennium Development Goals. However, poverty remains a major challenge. According to the revised official poverty line, 37.2% of the population (about 410 million people) remains poor, making India home to one third of the world's poor people. The urgency of addressing India’s development challenges has been exacerbated by the global economic crisis of 2007/09. Although India’s economy grew at 6.1% in the last quarter of 2009, which was among the highest growth rates in the world, this still represents a significant dip from the peak of 9.7% growth in fiscal year 2006/07. With a mix of monetary and fiscal tools, the Government responded fairly quickly to the financial crisis, and was successful in shielding the country from the fallout felt throughout the world.

Objectives -:
1. To expose students to a new approach to the study of the Indian Economy
2. To help the students in analyzing the present phase of the Indian Economy.
3. To enable students to understand the process of integration of the Indian economy with various economies of the world.
4. To acquaint students with the emerging issues in business at the international level in the light of policies of liberalization and globalization.

O. B.B.A.
2. Duration:

The course is for a period of three years. Each academic year shall comprise two semesters, viz., Odd and Even semesters. Odd semesters shall be from June/July to October/November and Even Semesters shall be from November/December to April/May. There shall be not less than 90 working days for each semester. (Exclusive of the days for the conduct of University or external end-semester examinations). A candidate can avail a maximum of 12 Semesters (6 Years), in a
Bachelor of Business Administration (BBA) Syllabus
continuous stretch of 6 Years from the date of admission to complete the Bachelor's Degree.

O. B.B.A. 3. The CBCS System:

All Programmes shall be run on Choice Based Credit System (CBCS). It is an instructional package developed to suit the needs of students to keep pace with the developments in higher education and the quality assurance expected of it in the light of liberalization and globalization in higher education.

O. B.B.A. 4. Courses in Programmes:

The UG B.B.A. programme consists of a number of courses. The term ‘course’ is applied to indicate a logical part of the subject matter of the programme and is invariably equivalent to the subject matter of a “paper” in the conventional sense. The following are the various categories of Courses suggested for the UG B.B.A. - programmes.

Elective Courses (ECs) (as listed in R. B.B.A. 6.1)
Foundation Courses (FCs) (as listed in R. B.B.A.6.2)
Core Courses (CCs),
Subject Elective Courses (SECs), i.e., SPECIALISATION (as listed in R. B.B.A 5.)

The Elective Courses and Foundation Courses are meant to develop the students’ communicative skill and Social or Environmental Awareness at the UG level. Core Courses are the basic courses compulsorily required for each of the programme of study. These will be related to the subject of the programme in which the candidate gets his/her degree.

*For Sem. 1-CC-105 (IT Tools & Application) each practical batch should not have more than 35 students, such that each batch gets 4½ hours in a week.

**For Sem. 2-CC-112 (Practical studies), each batch for practical studies should not have more than 40 students. For every batch 3½ hours per week have to be allocated for Communication practical (as specified in the syllabus of that subject) and 1 hour to be allotted for project work (as specified in the syllabus of that subject).

***For Sem.-4-CC-212 (Industrial Exposure & viva voce), each practical batch should not have more than 40 students. For every batch, 1½ hours per week have to be allocated for Communication skills/soft skills (as specified in the syllabus of that subject) and 3 hours have to be allotted for project work (as specified in the syllabus of that subject).

****For Sem.-6-CC-313 (Grand Project, Presentation & Viva Voce), each practical batch should not have more than 10 students. For every batch 4 ½ hour per week has to be allocated for the grand project.

**Selection of students to the Elective Course (EC) :**

a. The Academic Committee of the institute /college shall follow a selection procedure on a first come first served basis, fixing the maximum number of students, giving counseling to the students, etc., to avoid overcrowding to particular course(s) at the expense of some other courses.

b. The failed candidates in one EC are permitted to opt for another EC in another programme. Or they are permitted to continue with the same EC.

c. The Colleges shall provide all information relating to the ECs in each programme to all the students so as to enable them to choose their ECs.
O. B.B.A. 5. Semesters:

An academic year is divided into two semesters. In each semester, courses are offered in 15 teaching weeks and the remaining 5 weeks are to be utilized for conduct of examinations and evaluation purposes. Each week has 30 working hours spread over 5/6 days a week consisting of lectures, class participation, library work, special counseling, youth welfare and social activities.

O. B.B.A. 6. Credits:

The term ‘Credit’ refers to the weightage given to a course, usually in relation to the instructional hours assigned to it.

The total minimum credits, required for completing a UG B.B.A. programme is 150. The details of credits for individual components and individual courses are given in R. B.B.A. – 1 & 2.

O. B.B.A. 7. Course:

Each Course is to be designed variously under lectures/tutorials/laboratory or field work/seminar/practical training/assignments/term paper or report writing, etc., to meet effective teaching and learning needs.

O. B.B.A. 8. Examinations:

i. There shall be examinations at the end of each semester; for odd semesters in the month of October/November; for even semesters in April/May. A candidate who does not pass the examination in any course(s) shall be permitted to appear in such failed course(s) in the subsequent examinations to be held in October/November or April/ May.

ii. A candidate should get enrolled/registered for the first semester examination. If enrollment/registration is not possible owing to shortage of attendance beyond condonation limit/regulations prescribed OR belated joining OR on medical grounds, the candidates are not permitted to move to the next semester. Such candidates shall re-do the semester in the subsequent turn of that semester as a regular student. However, a student of First Semester shall be admitted in the Second Semester, if he/she has successfully kept the term in first semester. To move to the Third Semester, a student has to clear all Credits of first semester. Likewise, to move to the Fourth Semester, a student is required to obtain all the credits of second semester. Similarly, after clearing all the credits of third semester, a student can move to the fifth semester and he/she shall be allowed to move to the sixth semester after clearing all the credits of fourth semester.

For the movement in the said semester as described above, the candidate must have satisfactorily kept the term of the previous semester.

O. B.B.A. 9. Condonation:

Students must have 75% of attendance in each course for appearing in the examination. Students who have 74% to 65% of attendance shall apply for condonation in the prescribed form with the prescribed fee. Students who have 64%
Bachelor of Business Administration (BBA) Syllabus
to 50% of attendance shall apply for condonation in prescribed form with the
prescribed fee along with the Medical Certificate. Students who have below 50% of
attendance are not eligible to appear for the examination.

O. B.B.A. 10. Question Paper Pattern:

A Question Paper shall have four questions corresponding to four units of each
type course. Question No.1 shall have objective type of questions or short
questions to be asked from all the four units of the theory course by giving equal
weightage.

O. B.B.A. 11. Evaluation:

The performance of a student in each course is evaluated in terms of percentage of
marks with a provision for conversion to grade points. Evaluation for each course
shall be done by a continuous internal assessment (CIA) by the concerned course
teacher as well as by an end-semester examination and will be consolidated at the
end of the course. The components for continuous internal assessment are:

<table>
<thead>
<tr>
<th>Component</th>
<th>Marks</th>
</tr>
</thead>
<tbody>
<tr>
<td>One Test</td>
<td>15 Marks</td>
</tr>
<tr>
<td>Assignments/Quiz</td>
<td>10 Marks</td>
</tr>
<tr>
<td>Attendance</td>
<td>5 Marks</td>
</tr>
<tr>
<td>Total</td>
<td>30 Marks</td>
</tr>
</tbody>
</table>

Attendance shall be taken as a component for continuous assessment, although the
students should put in a minimum of 75% attendance in each course. In addition to
continuous evaluation component, the end-semester examination, which will be a
written-type examination of at least 3 hours' duration, would also form an integral
component of the evaluation. The ratio of marks to be allotted to continuous internal
assessment and to end-semester examination is **30 : 70**.

O. B.B.A. 12. Passing Minimum :

The passing minimum for CIA (Continues Internal Assessment) shall be 40% out of
30 marks (i.e., 12 marks), where the candidate is required to appear for the internal
test at least once. Failed candidates in the Internal Assessment are permitted to
improve their Internal Assessment marks in the subsequent semesters (2 chances
will be given) by writing tests and by submitting assignments. The passing minimum
for University or External Examinations shall be 40% out of 70 marks (i.e. 28 marks)

O. B.B.A. 13. Grading :

Once the marks of the CIA (Continues Internal Assessment) and end-semester
examinations for each of the courses are available, they will be added up. The marks
thus obtained will then be graded as per details provided in R. B.B.A.3. From the
first semester onwards the total performance within a semester and continuous
performance starting from the first semester are indicated respectively by Grade
Point Average (GPA) and Cumulative Grade Point Average (CGPA). These two are
calculated by the following formulae :

\[ \Sigma^n C_i G_i \]
Bachelor of Business Administration (BBA) Syllabus

\[ \text{GPA} = \frac{\sum_{i=1}^{n} C_i}{\sum_{i=1}^{n} \text{Gi}} \]

where ‘Ci’ is the Credit earned for the Course ‘I’ in any semester; ‘Gi’ is the Grade Point obtained by the student for the Course ‘I’ and ‘n’ is the number of Courses passed in that semester.

CGPA = GPA of all the Courses starting from the first semester to the current semester.

Note: The GPA and CGPA shall be calculated separately for the following three parts:

Part I: ECs; Part II: FCs and Part III CCs, SECs.

O. B.B.A. 14. Classification of Final Results:

I. For each of the three parts, there shall be separate classification on the basis of CGPA as indicated in R.B.B.A. 4.

II. For purposes of declaring a candidate to have qualified for the Degree of Bachelor of Business Administration in the First class/Second class/Third class or First class with Distinction, the marks and the corresponding CGPA earned by the candidate in Part III alone will be the criterion, provided he/she has secured the prescribed passing minimum in ECs and FCs. It is further provided that the candidate should have scored First/Second Class separately in both the grand total and end-semester (External) examination.

III. The marks for the course as elective (compulsory) course of Sem – II on “Environmental Studies” will be given in a separate certificate by the college/institute as per the guidelines of UGC, MHRD and the Hon’ble Supreme Court of India. The college/institute shall charge Rs.100/-, separately to meet the expenditure incurred towards the completion of this course, as per UGC/MHRD guide lines.

O. B.B.A. 15 Conferment of the Bachelor’s Degree:

(i) A candidate shall be eligible for the conferment of the Bachelor of Business Administration only if he/she has earned the minimum required credits for the programme prescribed therefore. (i.e. 150 credits).

(ii) A candidate shall be required to pay Rs.500/- towards the conferment of the Degree of B.B.A., which shall enhance by a 10% increase every three years and rounded off to the next 10/- rupees stage.

O. B.B.A. 16 University examination fee

(i) The University shall conduct the external Examination for all the six semesters, it being a professional course requiring uniformity in evaluation of students on a fair basis.
Bachelor of Business Administration (BBA) Syllabus

(ii) The examination fees for all end‐semester examinations shall be Rs.500/- for all subjects, which shall be enhanced by a 10% increase every three years and rounded off to the next 10/- rupees stage.

O. B.B.A. 17. Grievance Redressal Committee:

The college/institute shall form a Grievance Redressal Committee for each course in each department with the Course Teacher and the HOD as the members. This Committee shall solve all grievances relating to the Internal Assessment marks of the students.

O. B.B.A. 18. Transfer of Credits:

In case of elective courses, the students are permitted to transfer their course credits from the Centre for Distance Education (CDE) of any University to the regular stream and vice-versa. Similarly, they are also permitted to transfer their course credits from other state or central universities after verification of eligibility criteria.

O. B.B.A. 19. Revision of Ordinances, Regulations and Curriculum:

The University may from time to time revise, amend and change the Ordinances, the Regulations and the Curriculum, if found necessary.

O. B.B.A. 20. Self- Financing System:

The above Ordinance shall be applicable also for the candidates undergoing the programmes under the Self-Financing System.

R. B.B.A. 7. – Course Structure:

I. The B.B.A. programme is full time three years Under Graduate Programme.

II. The medium of instruction shall be English.

III. The programme consists of Six Semesters - Semester I and II in the First Year of the Programme, Semesters III and IV in the Second Year and V and VI Semesters in the Third Year of the programme.

IV. The total programme consists of 150 credits equally divided into 25 credits per semester.

V. The programme consists of the following types of courses
   (i) Core courses: Common for all students.
   (ii) Elective course & SECs: The college/institute can offer as per the availability of manpower and infrastructure.
   (iii) Foundation courses for all students as per college/institute’s available manpower/infrastructure.

R. B.B.A. 8. - Clearing and carrying forward the Semesters:

Rules for carrying forward the semesters are given below:

I. A candidate must have at least 75% overall attendance in the programme and should have satisfactory performance in class participation of each course and must have appeared in internal written test/examination to be eligible for grant of term.

II. In case, a candidate obtains F in any one course/all courses in the first semester, he/she shall be allowed to continue to proceed to the second semester provided he/she has kept his/her terms of the first semester successfully.

III. The candidate shall be allowed to proceed to the third semester only after clearing all the courses of the first semester.

IV. In case, a candidate obtains F in any one course/all courses in the second semester, he/she shall be allowed to continue to proceed to the third
Bachelor of Business Administration (BBA) Syllabus

semesters provided he/she has kept his/her term of the second semester successfully.

V. The candidate shall be allowed to proceed to the fourth semester only after clearing all the courses of the second semester.

VI. In case a candidate obtains F in any one course/all courses in the third semester, he/she shall be allowed to continue to proceed to the fourth semester provided he/she has kept his/her term of the third semester successfully. Similarly a candidate is allowed to move to the fifth semester provided he/she has kept his/her term of the fourth semester successfully and a candidate is allowed to move to the sixth semester after he/she has successfully kept the term of fifth semester even if he/she has failed in any one or all courses of the fifth semester.

VII. The candidate shall be eligible for the award of the degree after successful clearance of all the courses of semesters I, II, III, IV, V and VI by the sixth semester examination of the third year programme or till expiry of registration/enrolment. Whenever a candidate fails in a course due to failure to obtain the minimum marks in the internal component of the examination, the marks obtained in attendance and class participation shall be carried forward for the consideration of the repeat examination. The student has to appear in the internal test only to complete the requirement of the internal assessment.

R. B.B.A. 9 - Assessment and Evaluations:

I. Each course will be assessed on basis of 100 marks. The marks would be divided between internal and external assessment.

II. There shall be one end-semester external examination of each course in every semester consisting of 70% (70 marks) weightage in theory and practical courses.

III. Each Theory & Practical course shall have internal assessment of 30% weightage based on the following:

   - Internal written test - 15% (15 marks)
   - Attendance - 05% (5 marks)
   - Assignment/Quiz - 10% (10 marks)

IV. Every student will be required to pass in the external examination and internal assessment separately in each course.

V. The minimum passing standard will be 40% for the external and internal component of each course, i.e., 28 marks out of 70 (external - 28% of 70 marks) and 12 marks out of 30 (internal - 40% of 30 marks).

VI. (A) The grades for each course would be decided on the basis of the percentage of marks obtained in the end-semester external and internal examinations as per following table:
<table>

VII. The credit grade points are to be calculated on the following basis:

Grade point obtained x credits for the course = credit grade points. The grade points would be calculated up to two decimal places only. The calculation is given in examples below:

Example - I
Conversion of marks into grade points

65 = 60 + 5 = 6.0 + 5 x (0.99 / 9.99) = 6.0 + 5 x 0.1 = 6.0 + 0.5 = 6.5
57 = 55 + 2 = 5.5 + 2 x (0.49 / 4.99) = 5.5 + 2 x 0.1 = 5.5 + 0.2 = 5.7
72 = 70 + 2 = 7.0 + 2 x (1.49 / 14.99) = 7.0 + 2 x 0.1 = 7.0 + 0.2 = 7.2
42 = 40 + 2 = 4.0 + 2 x (0.79 / 7.99) = 4.2

VIII. The semester grade point average (SGPA) will be calculated as a weighted average of all the grade points of the semester courses. That is, Semester Grade Point Average (SGPA) = (sum of grade points of all six courses of the semester)/total credit of the semester as per example given below:
Bachelor of Business Administration (BBA) Syllabus

SGPA Sem. I = 6.49
SGPA Sem. II = 5.63
SGPA Sem. III = 6.01
SGPA Sem. IV = 5.50
SGPA Sem. V = 5.61
SGPA Sem. VI = 5.72
Total = 34.96
Cumulative Grade Point Average (CGPA) = 34.96/6 = 5.83

X. The cumulative grade point average will be calculated as the average of the SGPA of all the six semesters, as shown above.

XI. For the award of the class CGPA shall be calculated on the basis of:

(a) End Semester External Examination Marks

(b) Total Marks obtained (End-Semester External Examination Marks) + (Marks for internal assessment) for each course. The final Class for B.B.A. Degree shall be awarded on the basis of the lowest CGPA of (a) & (b) of fifth and sixth semester examinations. However, the marks of elective courses as well as foundation courses shall not be counted for the award of class, provided a candidate has secured at least minimum passing marks in Elective and Foundation courses both in internal and external examinations.

R. B.C.A. 10 – Syllabi Revision:

I. Syllabi of every course should be preferably changed after every two years. For example a syllabus changed in 2011 should preferably be revised in 2013.

II. Revised Syllabi of each semester should be implemented in a sequential way.

III. In courses where units/topics relate to governmental provisions, regulations or laws, changes to accommodate the latest developments are automatic under intimation to the Registrar and Vice-Chancellor of Gujarat University.
Bachelor of Business Administration (BBA) Syllabus

IV. All formalities for revisions in the syllabi should preferably be completed before the end of the 2nd/4th semester for implementation in the next academic year.

V. During every revision, up to 20 per cent of the entire syllabi of each course can be changed to ensure that students who have studied the old syllabi can also appear for examinations in the revised syllabi.

VI. In case the syllabus of any course is carried forward without any change, it shall be included in the revised syllabi.

VII. New/additional areas and courses of elective optional can be introduced on the basis of recommendations of the Board of Studies.

R. B.B.A .11 – Format of Question paper for 4 Units:

<table>
