Subject: **Inviting proposals for financial assistance under the Scheme of "Granting Special Heritage Status to College – XII Plan".**

Dear Sir,

Greetings from UGC-WRO for a Happy and Productive New Year 2015.

The University Grants Commission has introduced a new scheme under XII Plan for Granting Special Heritage Status to Colleges which have completed 100 years of their existence, to recognize and reward such heritage institutions so as to enable them to continue to inspire the younger generation the value of 'true education'. The guidelines of the scheme are available on UGC website www.ugc.ac.in.

You are requested to inform the Colleges falling under this category under your jurisdiction about the scheme and encourage them to apply for the same by submitting their proposals as per guidelines through your office.

With regards,

Yours sincerely,

R. Manoj Kumar
