To,

### Dear Sir/Madam.

As you know being the Institution of Govt. of Gujarat, we organize various courses to train our young ones' and youths in the field of adventure sports along with nature education. The training is not only induces the spirit of adventure and eco awareness among the youths but also motivate them to follow the path of high moral and thus Nation Building.

Please find enclosed herewith a copy of our course schedule for the year 2006-2007 and an application form, for your perusal.

- \* You are requested to contact us for the booking of suitable course/courses and their date/dates, in which your school, institution or club wish to send participants.
- \* All guest instructors are also requested to contact and inform the institute for availability of their honorary services with suitable date and period of their choice. However the right of selection and allotment of their duties remains with the institute authority.

### **Information regarding Courses:**

- \* Adventure training Course: This courses is specially design for the young participants' ageing above 8 years and below 13 years. The purpose is to expose them to the mesmerizing world of nature and adventure. The duration of course is 7 days. Activities like primary rock climbing, caving, trekking, bird watching, star gazing, artificial and natural obstacle crossing, eco awareness and night camping are being imparted practically and theoretically to the participants with utmost safety.
- \* Basic Rock Climbing Course: The duration of course is 10 days and is designed to train the youths ageing above 13 years in area of serious rock climbing. Focus of the training is to impart the basic skills of rock climbing, knowledge of knots, trekking, night trekking, camping, nature education, physical fitness and discipline.
- \* Advance Rock Climbing Course: This 15 days training course is designed for those who had successfully completed the basic rock climbing course with good grading and are interested to avail further knowledge in the same area as described in basic rock climbing course training along with basics of map reading (navigation).
- \* Coaching rock Climbing Course: This 30 days training course is only designed for the participants those who had successfully completed advance rock climbing course with good grading and are interested to become Instructor in this field or to become a serious mountaineer.
- \* Artificial Rock Climbing course: This 10 days training course is designed to train instructors in the certain specialized techniques of rock climbing, rope work and rescue methods.

Arrangement of hostel facility and training are provided free of cost by Govt. Participants or club/institution/school have to born the food expenses. This year Rs. 60/- head/day will be charged as per the norms decided by Govt. of Gujarat.

Our certificate carries special value for those who prefer to choose the job in the armed forces, paramilitary and police department.
